## Green Mark Gold Award presented to BHP Billiton Cofreth, Facility Manager for BHP Billiton, shares pride and joy

BHP Billiton Shared Services Centre (M) Sdn. Bhd. received the Green Mark 'Gold' for Office Interior Award at BCA Awards Night held at Shangri-La, Singapore recently.

The award recognizes the commitment of BHP Billiton to create and operate offices in a highly sustainable manner based on layout design and standardization, cost and wastage, energy efficiency as well as facilities and waste management.

The BCA Green Mark scheme is a key strategic program to raise awareness of sustainable and environmentally friendly buildings. It evaluates buildings for their environmental impact and performance. The benefits of Green Mark buildings include cost savings from efficient use of key resources such as energy and water, leading to lower operation and maintenance costs. Other tangible benefits include enhanced occupant productivity and health due to good indoor environment quality.
